DEVELOP3D LIVE 2025

The future of product development technology

26 March 2025
Warwick Arts Centre, UK
Exhibitor & Sponsor Prospectus - www.develop3dlive.com

Now in its 11th year, DEVELOP3D LIVE has grown into the leading one day conference and exhibition on product development technologies.

The event takes place in Coventry, UK and attracts some of the most influential technologists and decision-makers working in design, engineering, product development, and manufacturing sectors. These include CEOs, R&D teams, directors, and heads of engineering from small consultancies to large multinational corporations.

Sponsors at DEVELOP3D LIVE get an unparalleled opportunity to showcase technology and build relationships with people from these leading firms and form alliances with other software developers/hardware manufacturers and resellers.

DEVELOP3D LIVE topics

- Product Development
- Sustainable Design
- Additive Manufacturing
- Simulation and Analysis
- Physical/digital prototyping
- Reverse engineering
- Digital Workflows
- Agile Manufacturing

- Technical Documentation
- Data Management
- Workstation technology
- Generative design
- Design Technology
- Topology Optimisation
- CMF Design
- Accelerator Programs

- Startups
- Machine Learning
- Artificial Intelligence (AI)
- Industry 4.0
- Design Collaboration
- Visualisation
- Mixed Reality
- Future Fabrication

DEVLOP3D LIVE 2025 will be held on 26 March 2025 at the University of Warwick Arts Centre in Coventry, UK.

The event was launched at the University of Warwick 11 years ago and returned in 2023, following a £25M+ renovation of the Arts Centre, offering world-class event facilities.

Warwick is centrally located in an area with a rich heritage of automotive design and manufacturing, as well as machine and tooling fabrication. WMG (Warwick Manufacturing Group) and the engineering department at the University of Warwick will partner with DEVELOP3D LIVE to bring their extensive R&D facilities and experts into the fold.

DEVELOP3D LIVE will be held over two floors with food and tea/coffee served throughout the day.
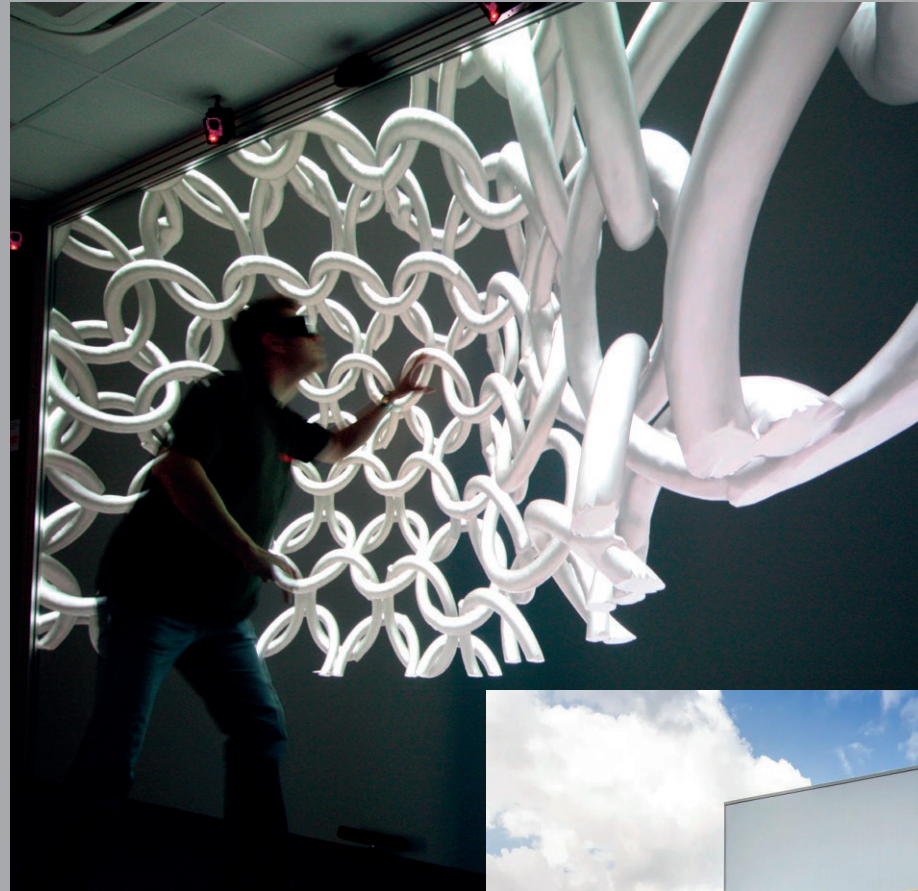

DEVELOP3D LIVE attracts key decision makers from design, engineering and manufacturing.
60% of delegates are director or management level.

Sample job titles

|	
Product Designer	Manufacturing Engineer
Engineering Director	Design Director
Industrial Designer	Senior Program Engineer
Head of Digital Engineering	3D Artist
Technology Director	Automation Engineer
Head of R&D	Head of Engineering
Mechanical Engineer	CAD Manager

Sample participating organisations:

Airbus, Bose, Nissan, DCA, Dyson, TATA, Stannah, Ocado, BAE Systems, Boeing, Kohler Mira, New Balance, Kraft Foods, Nestle, Asda, Sainsburys, Deutsche Bank, Neville Johnson, Augusta Westland Helicopters, Miele, Cementation Skanska, Clarks International, Balfour Beatty, Utility Solutions, Design Council, Thales, Kohler, Moog Controls, seymourpowell, Polestar, Frazer Nash consultancy, Royal Shakespeare Company, British Standards Institute, Science Museum, Jaguar Land Rover, NHS, Foster and Partners, McClaren Racing, Aston Martin, Shell UK, Bosch, RNLI, Her Majesty's Government Research, Norgen, Marshalls, Volkswagen, B&W Group, Williams Forumla 1, General Motors, Motorola, VAX, Metropolitan police, Leadbitter, Pashley Cycles, BAM, Honda UK, Intel, Wicks and Wilson, McClaren Automotive, Renthal, Olympus, Fujitsu Laboratories, Wilmott Dixon, Kier Construction, Chevron, Mercedes Benz Grand Prix Ltd, Marshall Aerospace and Defence Group, Adobe, James Purdey & Sons, James Walker Devol, Lagonda, Adidas, Rolls Royce, Lenovo, HP, Triumph Designs, Formula One Management.

Industry sector

- Aerospace 6%
- Automotive 9%
- Build / engineer to order 4%
- Vendor / VAR 7%
- Custom machinery 5%
- Independent consultant 5%
- Industrial design 7%
- Marine / Shipbuilding 3%
- Mechanical design 13%
- Mould and die 3%
- Other 10%
- Power generation 4%
- Product design 24%

Job function

- Academia 11%
- End user 29%
- Director / Manager 60%

*based on 2019 survey

DEVELOP3D LIVE delegates seek out a wide range of technologies and services that touch the entire product development process.

These includes CAD • CAE • CAM • Workstation Technology • Additive Manufacturing • 3D Printing • Product Data Management (PDM)

Product Lifecycle Management (PLM) • Systems Engineering • Hardware • Rendering and Animation • Technical Publications

Reverse Engineering • Metrology & Inspection • Design for Sustainability• Mould and Die Design + lots more

DEVELOP3D LIVE was a wonderful event with two personal highlights 1/ Astheimer Design's very insightful talk about mobility and 2/ Ivan Volchenskov's presentation about artificial intelligence. The bottom line is that we are living in extremely exciting times for our industry... #mobility #design #artificialintelligence #ai #autodeskemployee

Thanks, **DEVELOP3D LIVE** 2023!

What an incredible day at Warwick Arts Centre. We were thrilled to be part of this amazing event, meeting new faces and catching up with old friends at Stand A38.

Missed the event? Don't worry DDM will be coming back to DEVELOP3D Live next year so stay tuned for more to be announced.

We had a great time at **DEVELOP3D LIVE** yesterday! Our very own **Christoph Erhardt** took to the stage for his presentation 'Disrupting Supply Chain through Digital Manufacturing' and in the afternoon we held our InspirON exchange session, where we challenged delegates to ask Christoph their most difficult additive manufacturing questions.

Thanks to everyone who came along and chatted to us and to **DEVELOP3D** for a hosting a great event.

What an incredible day at **DEVELOP3D LIVE** 2023! We had a blast connecting with the community, showcasing our latest products and solutions with like-minded design, engineering, and manufacturing professionals.

A huge thank you goes to everyone who came along, and to team **DEVELOP3D** for hosting another fantastic event.

An amazing **DEVELOP3D LIVE** event took place today at the Warwick Art Center! Had a great time exploring and exhibiting with our **TECHNIA UK** team offerings to attendees at our kiosk setup. Glad to attend a session by speaker **Manish Kumar**, accompanied by the founder of **Bowhead Corporation** utilising SOLIDWORKS on the **#3dexperience** platform for design and simulation. Truly inspiring journey! **#Develop3D #Innovation #3dexperienceworks #SOLIDWORKS #design #simulation**

Many thanks to everyone who came to visit **OR3D** at **DEVELOP3D LIVE** yesterday, it was great to see you all. Thanks also to Develop3D for another great show. It's always a pleasure.

DEVELOP3D LIVE features a multi-track conference.

Leading practitioners provide insight into their production development process, while software and hardware developers discuss the impact of new technologies.

Here's a selection of leading companies that have presented at DEVELOP3D LIVE since 2012

Global Audience

DEVELOP3D LIVE is livestreamed around the world and is then made available on-demand

To participate in DEVELOP3D LIVE, there are a number
of options for developers, distributors and VARs

PLATINUM PACKAGE - £10,900

- Double sized pop-up stand (6 x 2m). Electricity and WiFi provided
- Exclusive video interview during the event
- Larger, more prominent logo throughout event and on digital assets
- All GOLD PACKAGE benefits

GOLD PACKAGE - £7,500

- Double sized pop-up stand (6 x 2m). Electricity and WiFi provided
- Logo on all stage banner posters
- Full page advert in the show event guide
- Video slot on DEVELOP3DLIVE.com to run promotional film
- Logo on all post-event DEVELOP3D LIVE videos
- All SILVER PACKAGE benefits

SILVER PACKAGE - £4,900

- Standard pop-up stand (3 x 2m). Electricity and WiFi provided
- HTML email sent to delegates who opt into 3rd party communication
- All BRONZE PACKAGE benefits

BRONZE PACKAGE - £3,700

- Standard pop-up stand (3 x 2m). Electricity and WiFi provided
- Banner advert on DEVELOP3DLIVE.com
- 1/2 page advert in brochure
- Logo on promotional email and print material
- Premium entry in the event guide
- All EXHIBITION STAND benefits

EXHIBITION STAND - £1,700

- Standard pop-up stand (3 x 2m). Electricity and WiFi provided
- Logo and company description on DEVELOP3DLIVE.com
- Entry in the event brochure
- Only one company allowed to be represented per stand

Boost your visibility at DEVELOP3D LIVE

WELCOME RECEPTION SPONSORSHIP - £2,900 (2 available)

• Sponsor logo on signage throughout Welcome Reception

• Placement of sponsor marketing material on tables during Welcome Reception

CONFERENCE BAGS - £1,200 (2 available)

• Sponsor provided reusable conference bags given to delegates at check-in

LANYARDS - £1,200 (2 available)

• Sponsor provided lanyards given to delegates at check-in

LIVESTREAM SPONSORSHIP - £1,200 (2 available)

• Sponsor logo and link on the streaming portal page

• Recognition as Livestream Sponsor on event website and from general session

COFFEE SPONSORSHIP - £1,200 (2 available)

• Sponsor logo on signage during coffee breaks

• Optional coffee cups or napkins with sponsor logo (provided by sponsor)

KEYNOTE SEAT DROP - £900 (2 available)

• Sponsor marketing material placed in seats prior to keynote session

MEETING ROOM RENTAL - £900 (2 available)

• Meeting rooms may be rented for exclusive private meetings

• Sponsor logo will be placed on signage by the door

DEMO ROOM RENTAL - £700/hr (6 available)

• A dedicated demo rooms may be rented for exclusive product presentations

• Your product demo time slot will be listed in the conference program

BADGE SCANNER RENTAL - £150/ea

• Sponsors may rent badge scanners to collect delegate data during the events
